Designed to Look Great and Last

- Hoods are molded of durable polyethylene
- Available in four matching colors of the Ebonite VanTech™ seating systems.
- Molded urethane guide rails provide maintenance-free use while minimizing wear and ball damage.
- Hand dryer and reset buttons are strategically located for convenience and to reduce the possibility of accidental resetting
- Racks hold up to 12 balls
- Optional lower racks can provide an additional 8-ball capacity.
- Optional Glow Ball-Rack Covers

Ball Lifts

“Standard” Ball-Lift Assembly

40-1000

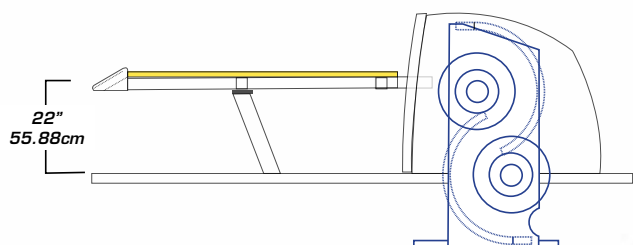

- Urethane track rails for excellent traction and exceptional wear resistance
- 1/3-horsepower motor for abundant lifting power
- Power to lift up to 5 balls simultaneously
- Convenient installation and easy access for routine maintenance
- Heavy-duty bearings for smooth, continuous use
- Reliable and maintenance-free control box

“Back Saver” Ball-Lift Assembly

40-3000

- Includes features above
- Lifts the ball an additional 4.5” higher for less bending and strain.
- Available as a complete system with new ball lift and hood/rack.

Our Promise

We promise to provide our customers with the best equipment, support, and training in the industry.

Our commitment is in building a long-lasting relationship with every customer. Developing this relationship allows Ebonite VanTech™ a better way to service each customer's individual needs. Building relationships is an ongoing and exciting process for us. Only when we achieve results that go beyond expectations without sacrificing integrity do we begin to consider a job well done.

Ebonite VanTech™ understands that in bowling today, customers have many choices when it comes to purchasing capital equipment. Therefore, our customers should expect products, resources, and services that are innovative and are of the highest quality. Our customers should not just expect to be satisfied. They should expect to be delighted.
