Assembly Instruction – Divider Tables – Left and Right Trapezoid

**Trapezoid Left Table
30-5301**

**Trapezoid Right Table
30-5303**

Assembly Exploded View – Right Hand Table Shown

Tool List

3/8" drive Socket Wrench with 4" Extension

Standard Socket – 1/2", 5/8", 9/16"

Deep Well Socket – 5/8"

Allen Wrench – 5/32", 7/32"

Box End Wrench – 1/2", 9/16"

Table Assembly

Use the Assembly Exploded View drawing as a guide while performing the following instructions.

Some steps of this assembly process are easier when two people are available.

Finger tight means snug and then back out ¼ turn.

1. Place the table top upside down on a piece of cushioning material (like the box it came in).
2. Stand the table legs on the bottom of the table over their mounting holes. Make sure that the Ball Rack brackets are toward the inside and the extended part of the brackets are toward the front edge of the table.
3. Insert the 6 screws through the mounting flange on each leg and tighten finger tight.
4. Mount the 6 Ball Racks and tighten the screws finger tight.
5. Mount the Modesty Panel. Tighten the hardware finger tight.
6. Mount the Seat Frame Attachment Angle. Place the nut into a 9/16" socket mounted on the 4" extension. Hold the bolt in place and thread the nut on through the access hole in the front of the table leg. Once started, you can continue tightening the nut using the deep socket.
7. Now, tighten the screws holding the legs to the table and then, proceed to tighten all of the hardware inserted in the previous steps.

Seat Assembly

Caution: At this stage the Table Assembly will not be stable and should be supported by another person until you perform the following steps.

1. Turn the Table Assembly right side up and put it close to the place where it will be attached to the floor.
2. Insert the 3/8 X 1½" flat head screw through the hole in the Modesty Panel and through the hole in the Seat Frame Attachment Angle.
3. Move the Seat Support assembly in position and attach it with the flat head screw. When the table feet and the Seat Support feet are all flat on the floor firmly tighten the screw.
4. Mount the seats using the hardware indicated.
5. Holes are provided on the flanges at the bottom of the table and seat legs. You must attach the unit to the floor using these holes and hardware appropriate for your type of floor.
6. After bolting the unit to the floor, twist the Escutcheons and place them around the legs. Push them down to cover the flanges.

Hardware Parts List: 30-5303-xxxx (1 Unit)

Item #	Part Number	Description	Quantity
RH-1		Rail Hardware (1 set)	
	809865125	Hex Head Cap Screw 3/8"-16 x 3/4"	12
	948767132	Flat Washer 3/8"	12
	30-5000C	Rail Sets	1
TTH-1		Table Top Hardware	
	809865125	Hex Head Cap Screw 3/8"-16 x 3/4"	12
	948767132	Flat Washer 3/8"	12
	30-5003-xxxx	Table Top	1
MPH-1		Modesty Panel Hardware (1 panel)	
	808549120	Button Head Socket Screw 1/4"-20 x 3/4"	6
	948753102	Flat Washer 1/4"	12
	839549002	Flex Loc Nut 1/4"-20	6
	30-6600	Modesty Panel	1
MCH		Miscellaneous Hardware	
	30-0050	4" Escutcheon	2
		3" Escutcheon	2
	808865240	Flat Head Socket Screw 3/8"-16 x 1/2"	1
	809865205	Hex Head Cap Screw 3/8"-16 x 1 1/4"	2
	948964142	Washer USS 3/8" Flat	2
	839565002	Flexloc Nut 3/8"-16	2
	951164002	Lock Washer 3/8" split	2
CH-2		Chair Hardware (2 chairs)	
	809857080	Hex Head Cap Screw 5/16"-18 x 1/2"	8
	951156002	Lock Washer 5/16"	8
	20-100X	Seats	2
Shaded line items are not included in the hardware package!
