

## Dick's Reference Guide

Model A  
will have  
square  
blocks.

MODEL A

Model B  
will have  
V shaped  
blocks.

MODEL B

These are pictures of the X-Y Gig's that we have at this time, you will notice there is a model letter under each one of these. When you have a question or problem and need to contact us you will need to refer to the model that you are using.
